# New Graduate and New to Industry Program

Working in Aged Care can be both challenging and confronting, but also extremely satisfying knowing that you can make such a significant impact on someone's life. Choosing to be a Registered Nurse in Aged Care can provide exciting and rewarding opportunities for rapid development and career advancement.

The Program aims to attract, retain and support new Registered Nurses by offering vital education, guidance and mentorship to new Registered Nurses beginning their careers. This comprehensive course, split into 12 modules, combines evidence-based learning and best practice that is aligned with the Aged Care Quality Standards.

This online course is endorsed by ACN according to our Continuing Professional Development (CPD) Endorsed Course Standards. It has been allocated 24 CPD hours according to the Nursing and Midwifery Board of Australia – Continuing Professional Development Standard.

## Modules include:

- Clinical Leadership
- Clinical Governance Framework
- Policy and Process - Critical for Compliance (2 modules)
- Effective Assessment and Care planning (2 Modules)
- Participant Case Studies
- Quality, Safety and the Consumer Experience (2 Modules)
- Investigation of Incidents
- Clinical meeting forum effectiveness
- Managing your teams - time management, delegation and supervision
